

How to get to Žilina from Ostrava Airport:

In front of Mošnov Ostrava Airport (it is a very little airport), there is a train station. Unfortunately, there is not a direct train going to Žilina from Mošnov Ostrava Airport. From this train station you should take a train to Ostrava hlavní nadraží (Ostrava hl.n. = Ostrava- Central Railway station) and then a connecting train to Žilina. The timetable of trains can be found on this link: <https://old.cd.cz/en/default.htm>

The screenshot shows the ČD Online website interface. At the top, there is a banner with a woman using a laptop outdoors. The navigation bar includes links for Company, Domestic Travel, Suburban Travel, Travel Abroad, ČD Online, eShop, In Karta Card, Leisure, and a login section. On the left, there is a sidebar with links for various services like Find my Trains, Check Fares, Purchase a Ticket, and more. The main content area shows a search form for "Train connections searched". The search parameters are: From: Mošnov, Ostrava Airport (highlighted with a red arrow), To: Žilina [SK], Date: 18.9.2017 Mon, Time: 13:00, Departure. Below the form, a table lists the results for the journey on 18.9.2017:
